HORIZONTAL SLIDER*

One sash slides side-to-side in our single glider while the other side is stationary. The operating sash can be left or right and is removable for ease of cleaning.

CASEMENT

Casement windows offer the simplicity of modern design with maximum ventilation. They are hinged on either side to allow the sash to open outward, left or right, in a swinging motion.

SINGLE HUNG

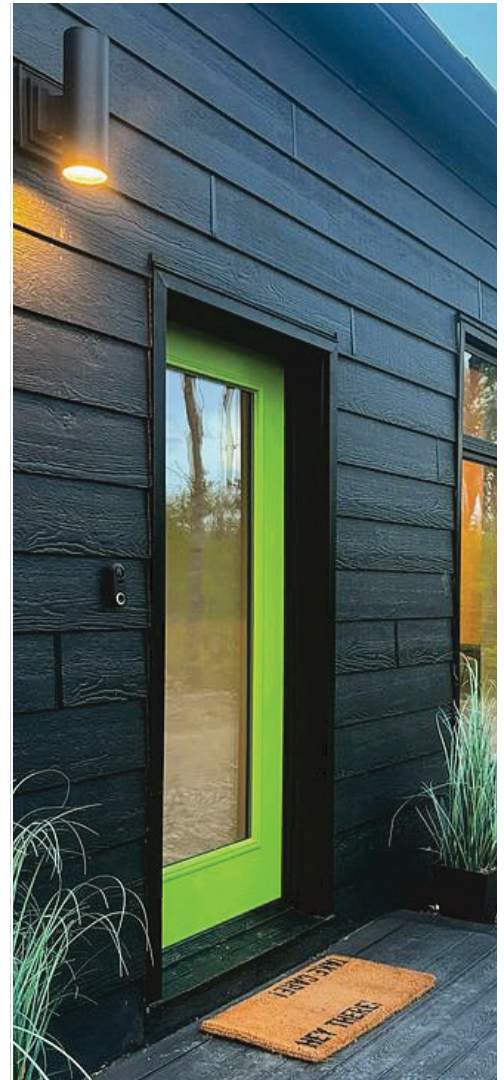

Best suited for traditional architectural style, single hung windows take up no additional space when open. The upper glass is fixed, the lower sash slides up and tilts in for ease of cleaning.

Kohltech brings you colour

Over the years, Kohltech has witnessed numerous shifts in colour trends. Now is an opportune moment to add a splash of colour to your doors and windows, as vibrant hues are more in vogue than ever. Kohltech offers a colour palette that features tried-and-true colours and some exciting new additions. Their new line of vibrant colours draws from Canada's beautiful landscapes so you can bring even more of your personal style to your home's exterior. Whether it's Rocky Mountain Rust, Hudson Bay Blue, Muskoka Moss, Atlantic Amber, or Kohltech Blue, your home is about to be the talk of the neighbourhood.
